Notice of Court Order to Liquidate

National Foot Care Program, Inc. (in Liquidation)

On December 14, 2007, the Honorable Joyce Draganchuk, Ingham County Circuit Court Judge, entered an Order placing National Foot Care Program, Inc. (formerly National Foot Care Program, Inc. in Rehabilitation), hereinafter referred to as "National Foot," into liquidation (Case Number 07-1211-CR). The Order of Liquidation appointed Ken Ross, Acting Commissioner of the Office of Financial and Insurance Services, State of Michigan, as Liquidator and James E. Gerber and Janice Sylvertooth as Special Deputy Liquidators for National Foot.

The Order of Liquidation was entered because, among other reasons, National Foot could not be successfully rehabilitated due to its financial condition.

Pursuant to the Order of Liquidation, all enrollee and subscriber contracts issued by National Foot in effect at the time the Order of Liquidation was entered will terminate, at the latest, effective midnight, January 14, 2008. The Liquidator believes he has received termination notices prior to the date of the liquidation indicating that all subscriber and enrollee contracts have been cancelled. The Liquidator is responsible for administering the liquidation.
